The Council has considered your application and decided to grant permission.

Informative(s):

- 1 Reasons for approving the details.

A pack has been provided detailing the proposed facing brickwork for the buildings on 17-21 Denmark Place, demonstrating the proposed colour, texture, face-bond and pointing to be delivered. This is supported by a pack of specification sheets outlining the manufacturer's details. Samples of all facing materials are available on-site, and have been inspected by officers. The applicant has had several meetings with the Council's Conservation and Urban Design team in the materials selection process. All of the materials as considered to be high quality, and would result in a development that would sufficiently safeguard the appearance of the premises and the character of the immediate area.

No comments from third parties were received during the determination period. The site's planning history has been taken into account when coming to this decision.

As such, the proposed development is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 2 You are advised that conditions 5, 6, 11, 12, 18, 19, 20 (partial), 21, 25, 26, 40, 42, 43, 55 of permission ref 2012/6858/P dated 31/03/2015 are outstanding and require details to be submitted and approved.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
