2019/3836/L	Mrs R Booth	14/08/2019 12:06:22	SUPPRT	<p>As a representative of Holly Hill Conservation Volunteers association and also someone living locally, I would like to express our full support for the restoration of the grade II listed railings on Holly Hill. They are currently a health and safety hazard, with rusty spikes and missing rails, and also an eye sore in a prominent location where lots of local people, school children and their parents and tourists walk past. The restoration work will improve the safety and appearance of this area.</p> <p>We commend Camden Council's efforts in getting this historic feature restored and offer any help should that be required.</p>
