

## CaMden M Stand

### BXMW/MSTAND-Camden Stand

Nationally, cycle theft is acknowledged to be a significant deterrent to cycle use. Department of Transport research shows that 19% of cyclists in the UK experience cycle theft. Of these victims, 24% stop cycling and 66% cycle less often as a consequence.

Working in collaboration with Bikeoff and its partners, Broxap Limited are pleased to offer the caMden anti-theft bike stand.

This stand has been fully tested and found to increase the security of bicycles parked on street.
