6. Explanation for Proposed Demolition Work

8. Materials			
Vehicle access and hard standing			
Description of existing materials and finishes (optional):	none existing		
Description of proposed materials and finishes:	none proposed		
Lighting			
Description of existing materials and finishes (optional):	no external lighting present		
Description of proposed materials and finishes:	no external lighting proposed		
Are you supplying additional information on submitted plans, drawings or a desig	n and access statement?	Yes	○ No
If Yes, please state references for the plans, drawings and/or design and access	statement		
Please refer to D&A statement which is supplied with this application			
9. Pedestrian and Vehicle Access, Roads and Rights of Way			
Is a new or altered vehicular access proposed to or from the public highway?			No
Is a new or altered pedestrian access proposed to or from the public highway?			No No
Are there any new public roads to be provided within the site?			No
Are there any new public rights of way to be provided within or adjacent to the site?			No No
Do the proposals require any diversions/extinguishments and/or creation of rights of way?			● No
10. Vehicle Parking			
Is vehicle parking relevant to this proposal?			⊚ No
11. Trees and Hedges			
Are there trees or hedges on the proposed development site?			No
And/or: Are there trees or hedges on land adjacent to the proposed development development or might be important as part of the local landscape character?	site that could influence the		No
If Yes to either or both of the above, you may need to provide a full tree survequired, this and the accompanying plan should be submitted alongside you website what the survey should contain, in accordance with the current 'BS Recommendations'.	our application. Your local planning au	thority s	should make clear on its
12. Assessment of Flood Risk			
Is the site within an area at risk of flooding? (Refer to the Environment Agency's I and consult Environment Agency standing advice and your local planning authorinecessary.)	Flood Map showing flood zones 2 and 3 ity requirements for information as		No
If Yes, you will need to submit a Flood Risk Assessment to consider the risk	to the proposed site.		
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?			No
Will the proposal increase the flood risk elsewhere?			No No
How will surface water be disposed of?			
Sustainable drainage system			

2. Assessment of Flood Risk				
Existing water course				
Soakaway				
✓ Main sewer				
☐ Pond/lake
