Dear Leela,
Thank you very much for suggesting that the applicant revise their design, although this is a small detail, the improvement to the rear elevation is significant in the revised rear elevation, I withdraw the objection on behalf of the Heath and Hampstead Society,

Best Wishes,

Claire

Dear Claire Gasson

Thank you for your comments regarding the dominant effect of the proposed roof replacement to the dormer. The agent has submitted a revised drawing to introduce some detailing above the glazing of the dormer, reducing its bulkiness.

Is this sufficient for you to withdraw your objection? As you know an objection from the Heath and Hampstead Society requires us to refer to the Members Briefing Panel.

Kind regards
