Infill brickwall to existing external wall (closing off existing opening). New opening width to match existing opening, immediately above, at first floor.

For further information on the courtyard and new extension's design principles and materiality please refer to drawing 1010, the Design and Access Statement and respective Addendum.

Existing stone setts / metal plates paving to be cleaned and repaired.

New external gate to be installed within existing frame. Shared with neighbouring property.

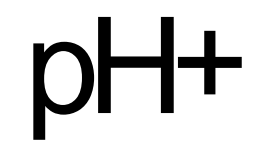

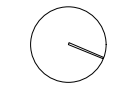

New access to external plant area, with new flooring and canopy for weather protection.

Blockwork walls to bin store, to resist wear and moisture. Tap and floor gully to be installed within bin store.

Louvred opening for ventilation of bin store. Refer to drawing 0400 for details of facade.
