Dear Ms Bond

Arrangements for Handling Heritage Applications Direction 2015

THE BRITISH LIBRARY 96 EUSTON ROAD LONDON NW1 2DB
Application No. 2019/3835/L

Thank you for your letter of 2 August 2019 regarding the above application for listed building consent. We have viewed and commented on these proposals at pre-application stage and are content that the proposals are well designed and take into account the special architectural and historic interest of this important listed building.

We have drafted the necessary letter of authorisation (attached) for your authority to determine the application as you see fit and referred the case to the National Planning Casework Unit (NPCU). You will be able to issue a formal decision once NPCU have returned the letter of authorisation to you, unless the Secretary of State directs the application to be referred to them.

It is not necessary for us to be consulted on this application again, unless there are material changes to the proposals. However, if you would like detailed advice from us, please contact us to explain your request.

Please note that this response relates to designated heritage assets only. If the proposals meet the Greater London Archaeological Advisory Service's published consultation criteria we recommend that you seek their view as specialist archaeological adviser to the local planning authority.

The full GLAAS consultation criteria are on our webpage at the following link:
