

LOCATION A WITHOUT POLE

LOCATION A WITH POLE

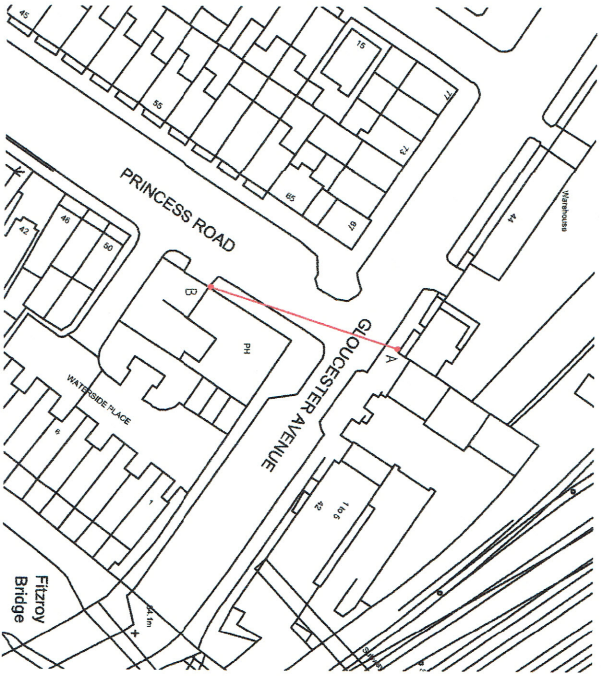

LOCATION B WITHOUT POLE

LOCATION B WITH POLE

DESCRIPTION:

The existing parking pole A to be replaced with a new, 5.5m high, 76dia pole at the rear of the footpath to the right of the main entrance to 40 Gloucester Crescent with a clear nylon filament extending across Gloucester Avenue to a matching pole at the rear of the footpath just beyond the rear of the Princess Road side elevation of The Engineer public house.
Refix parking sign at existing height on the new poleA, remove existing parking pole and the pole approx 3 metres beyond it and reinstate the footpath paving.
