2019/3697/P	Rob Macdonald	23/08/2019 18:43:08	WREP	The non demised flat roof outside the proposed 2 bedroom flat has a sliding door to the flat roof in the proposed drawing. This should not be permitted and it should also be written into any permission that the flat roof can not be used as terrace. The property has for the last several years used this non demised flat roof as an illegal terrace holding noisy late night parties there.
