2019/4201/P	Dave Murphy	28/08/2019 08:04:11	COMMNT	The proposed Seven Storey building on the corner of Royal College Street and Pratt Street, opposite The Golden Lion is imposing. It will be overlooking The Golden Lion and blocking Daylight to the front of this Beautiful building. The current pavement tables and chairs used by the public house and which is an important part of their buisness will be overshadowed. The Golden Lion is an Iconic Stand Alone Building in Camden that needs to be protected from such overdeveloped planning projects nearby.
