Details of the pre-application advice received

These applications are submitted following nearly three years of constructive work between the Applicant and the Council, dating back to 2016. In June 2016, the applicant raised a Pre-Planning application enquiry with the Council (LPA Ref. 2016/3367/PRE) in which it proposed upgrading 35 Telephone Kiosks and the removal of 35 kiosks as part of an overall rationalisation exercise. The Council responded in Sept. 2016. Following the Council's response, Prior Approval and related Advertisement Consent applications were submitted in 2018 for upgrading 26 kiosks and removing 45. Of the 26 sets of related applications 23 were approved internally by the Council subject to completing a S.278 agreement, needed to secure the kiosk removal, tree planting, and cleaning and maintenance of the kiosks. Shortly before the S.278 agreement was concluded, a judgement was handed down in the High Court the effect of which was to clarify the scope of the GPDO. Given this judgment, the Council wrote to the applicant stating that it was unable to determine the applications as is, requested that they be withdrawn and invited the applicant to instead apply for planning permission.

Yes No

If No, has the permission of the owner or any other person entitled to give permission for the display of an advertisement been obtained?
