2019/3987/P	Matthew Pateman	31/08/2019 17:21:48	SUPC	<p>I am in support of the removal of the current phone box as its sole purpose these days is to consume drugs outside of nightclub next to the site, use as a toilet (there are no public facilities in the area), or the unofficial placement of adverts for adult hotlines.</p> <p>The new phone box design is less likely to be used for public urination or drug consumption. I would encourage the council to consider extending the proposal to include the removal of the adjacent phone box as well (shown in "Photo of existing Kiosk" under Supporting documents) as that phone box design is still plagued by the same forms of abuse. Additionally, the larger phone boxes obstruct the flow of pedestrians in busy areas such as Kings Cross and surrounding areas.</p>
