2019/4100/P	Ryan Heng	30/08/2019 13:55:25	OBJ	<p>I object to the installation of telephone kiosks. As a resident of the area such phone booths / kiosks are:</p> <ul style="list-style-type: none">- obstructions on the footpath for pedestrians, wheelchair users and infant buggies- attract drug users to deal and inject inside the booth/kiosk- attract litter, roughsleepers and prostitution stickers- provides little practical benefit to the public and is a subterfuge billboard to enable advertising and marketing <p>I strongly object to the installation of telephone kiosks and booths as it is contrary to the Camden and Westminster Local Plan.</p>
