2019/3580/A	Craig Duncan	31/08/2019 10:35:03	OBJ	<p>No - the local community has suffered enough at this ongoing nonsense - we do not want any more (illuminated or not) false promises.</p> <p>Also please register objections (previously lodged but ignored) to the roof garden on the plans! It is elitist and non conducive to the local community.</p>
2019/3580/A	Paul Braithwaite	31/08/2019 18:52:13	OBJ	<p>PS: To be read with my earlier objection (lodged 10 hours ago).</p> <p>This notification was despatched at 6.25 today 31st August. I replied VERY promptly within a couple of hours. I then go shopping in Kentish Town Road and I am HORRIFIED to see the Billboard that is the subject of the application is already in situ. I photographed it at 10.30am Sat 31st August.* It is advertising a digital marketing company "bumble.buzz".</p> <p>It is outrageously presumptive to proceed in advance of the neighbourhood having even received the planning application notification.</p> <p>*Photos available on request</p>
2019/3580/A	Paul Braithwaite	31/08/2019 09:35:03	OBJ	<p>This construction site was dormant for over one year. It has already been "shrouded" for a very long time. But at least the existing shroud replicates what's underneath.</p> <p>I see no reason to permit garish illuminated advertising for nearly the next year. Last time, the poster company ignored the actual approved scheme and I (and others) had to bring its breach to the attention of Enforcement.</p> <p>I see no reason to further degrade the prime Kentish Town shopping street with large illuminated advertising, that only benefits the poster contractor and the advertiser - in the past, booze brands.</p> <p>I oppose granting any such consent.</p>
