2019/3891/P	J Lasky	03/09/2019 11:22:28	SUPPRT	It is about time there was a decent modern hotel in the area and about time there is good development of Chalk Farm
2019/3891/P	Jonny Joseph	03/09/2019 11:28:10	SUPPRT	I have a flat adjacent although the build work and noise will be disruptive to me I have to approve this hotel as very good for the area. I actually like the design and think it will give Chalk Farm a good iconic building and make the whole Roundouse concept much stronger please can you block out my name and details
