Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Advertisement Consent Granted

Address:

Stephenson House
75 Hampstead Road
London
NW1 2PL

Proposal: Temporary display of advertising to existing construction hoarding including non-illuminated lettering along Drummond Street, Hampstead Road and William Road; and non-illuminated advertising to tree boxes (x6) along Hampstead Road, until 17/07/2023.

Drawing Nos: 601-A-002-Location Plan; 19017 LAZ-SHO Cover Letter Final; Hoarding planning application Rev1.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or

aerodrome (civil or military);

(b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 The advertisements hereby permitted shall be displayed for a temporary period only and shall be removed on or before 17th July 2023.

Reason: The type of advert is not such as the Council is prepared to approve, other than for a limited period, in view of its appearance. Its permanent display would be contrary to the requirements of policy D4 (Advertisements) of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission:

The Council would be unlikely to grant consent for such an advertisement on a permanent basis as this would harm the character and appearance of the building and streetscene. However, during construction the advertisement would shield unsightly construction works in accordance with guidance in CPG1 - Design. Therefore, on balance, the proposal is acceptable as a temporary measure during the construction process.

The proposal would not impact on neighbouring amenity nor would it be harmful to pedestrian or vehicular safety.

The site's planning history and relevant appeal decisions were taken into account

when coming to this decision.

As such, the proposed development is in general accordance with policy D4 of the Camden Local Plan 2017. The proposed development also accords with policies of the Draft London Plan 2017; and the National Planning Policy Framework 2019.

- 2 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team London Borough of Camden 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444) . Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 3 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website at <https://beta.camden.gov.uk/documents/20142/1269042/Camden+Minimum+Requirements+%281%29.pdf/bb2cd0a2-88b1-aa6d-61f9-525ca0f71319> or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
