2019/3564P	Justin Henry	05/09/2019 22:33:20	COMMENT	I object to this application and do not believe it should proceed [REDACTED] the property in question and I take great pleasure from looking out at the trees and greenery that is in this garden and by demolishing the existing structure and replacing with the larger extension we will lose yet more greenery and the trees next door will be adversely affected and lost as a result at some point. London needs its greenery and it so pleasant to look out onto this and if this goes ahead we will lose never to be reclaimed.
