2019/4140/P	Peter Croft	05/09/2019 15:06:08	OBJ	<p>I object to the application for the reasons stated below:</p> <p>The building is an ugly, huge, monolithic structure, completely out of keeping with the conservation area it abuts and the local 'village', and much too densely populated.</p> <p>These changes do nothing to address its many faults and to add 16 new dwellings will worsen the density and pressure on local services.</p> <p>And if you must add units they should all be for low-income tenants.</p>
