2019/3596/P	Elizabeth Bax, Covent Garden Community Association	08/09/2019 19:56:09	SUPPRT	Covent Garden Community Association (CGCA) supports the replacement of the roof lantern on this building. The design seems visually appropriate for the building and for the conservation area. It also offers a better quality finish than the existing structure, with features to improve water run-off and energy conservation.
