2019/3856/P	Camilla Macoun	06/09/2019 10:45:39	SUPPRT	We are neighbours to Number 8 Tasker Road and would like to fully support this application. It is an obvious update to their property as they have ample room in front of their house to have dedicated parking and, as there are many trees, it makes sense to build a pergola to protect their car. Historically, car parking for Number 8 would have been the garage in front of Number 6 Tasker Road. However these garages are much too small for modern cars and are now in a state of complete disrepair. It makes sense for Number 8 to create a dedicated parking area in front of their house and this should have no impact on neighbours.
