Dear Mr Sanessie

RE: 1281 17 BRANCH HILL PLANNING APPLICATION 2015/3377/P

Please find attached the post completion review confirming that the measures incorporated in the Detailed Basement Construction Plan as approved by the Council have been incorporated into the Development. The review is to satisfy paragraph 4.2.5 of The Agreement between Adam Kaye and The Mayor and Burgesses of The London Borough of Camden relating to land known as, 17 Branch Hill, London NW3 7NA.

The review confirms that the as built development conforms with the Detailed Construction Plan albeit with minor amendments to the sequence of works.

Should you have questions or require any further information please feel free to contact us.

Yours sincerely
