

Dear Planning at Camden,

I am writing to give five days notice from Thursday 12th September 2019 of the owners intention to fell an Ash at

59 Goldhurst Terrace NW6 3HB

This work will be carried as an exception in the TPO regs as the tree is now dangerous.

The following page shows the recent point of failure of a dead branch.
The fungal brackets are an indicator of ongoing decay.

Please can you send your comments to Tim Price
tretec@theprices.f9.co.uk

With thanks & best regards.
