Dear Jonathan,

Following your clarification regarding the listing status of the former Royal Free Hospital I hope to be able to send in our comments by close of play tomorrow (Thursday 12th). I hope this is in sufficient time to be taken into account although, as you probably realise by now, we shall be objecting to the proposal because of the harm to the conservation area caused by the demolition of the courtyard and courtyard facades of the former Royal Free Hospital.

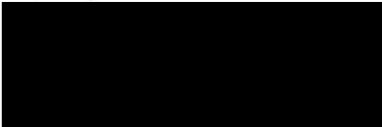

I understand the committee date is the 19th September and I should like to register to speak at the meeting if that is possible. It's a while since I've done this and if you could remind me of who to contact these days that would be very helpful.

Kind regards,

Hugh
