Att: Ms Catherine Bond

Re: Stables Market, Horse Hospital, NW1 8AB. Mechanical and electrical upgrade.

Dear Catherine,

Please find enclosed documents relating to the Planning and Listed Building Consent for the above property.

This application is for the new distribution of mechanical and electrical services in the Horse Hospital, comprising the removal of unsuitable cabling and pipes attached to the elevations of the buildings, the relocation of essential services, and the replacement of required external fittings. The proposals also include the relocation of the existing AC condensers on the west elevation to the building to a restricted area in the ramp against the Chalk Farm Wall.

Should be any further details you require to expedite the approval of this application, please do not hesitate in contacting me.

Kind regards

Nadina Reusmann

Heritage Director
