4. Site Area

What is the measurement of the site area? (numeric characters only).	22
Unit	sq.metres

5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

I need to extend the exhaust for a commercial dryer behind the shop to the top of the building about a meter from the top of the building. There is a visit of the planning inspector from the council and advised me this is what we should do as the currently fitted exhaust pipe is not the way it has been fitted.

I have made an application (2018/3362) to get it extended but unfortunately the application was invalid as I did not supply required maps and drawings.

5. Description of the Proposal

For this reason, we are submitting this application with Site and Location map at a scale of 1:1250, Block plan at a scale of 1:500 and Existing and Proposed Rear elevation at a scale of 1:50 @ A3 to make the previous application valid.
