Dear Mr Diver

Re:Planning Application No: 2019/1697/P Amended Location : Rear of 29 and 33 Arkwright Rd

Further to our objections earlier this year to Planning Application No. **2019/1697/P**, we cannot see how the amended plans in any way change the issues that we raised and to which we objected.

Accordingly we wish to maintain our objection to this amended version of those plans.

Yours sincerely,

John and Tania Varsanyi
