2019/4328/T		13/09/2019 10:51:57	OBJ	Having read the report I see no justifiable reason to fell the lime trees. They are off site to the development in question (Paragraph 5.15), healthy (life 10+ years) and provide a substantial contribution to the green of the area. They form part of a green around houses that provides a natural insulation from noise and offers privacy between developments. Of course they also provide shelter to the fauna of woodchurch road and are a significant amenity for local residents. Thus I believe these trees should be protected and retained.
