2019/4341/P		16/09/2019 09:17:00	OBJ	<p>I wish to object to this planning request, the height of the loft extension will have a dramatic impact on the loss of light to our property, impair the view we have from the upper floors and impact on our privacy.</p> <p>We live directly opposite 15 New End, and the street is already dark due to the tall buildings, any further height added to this end of terrance property would have a huge impact to the light.</p> <p>It would also be out of character with the rest of the terraced houses on that side of the road.</p>
