Friday 13th September 2019

To whom it may concern

I am the Vicar of St.Luke's Church and I have been able to look through the proposed plans for the improvement of the school playground and I am entirely satisfied that they fit in with the Grade 2 nature of the church building. No changes are being made to the church building itself so its integrity is maintained.

Yours faithfully

Alistair Tresidder

Vicar of St.Luke's Church
