Subject: 2019/3984/P - phone kiosk app, TfL comments

2019/3984/P

Pavement outside 1 Eversholt Street London NW1 2FL

Thanks for consulting TfL on this. No objections.

Please ensure that the planning permission includes an obligation to enter into a S278 agreement with TfL as the highway authority.

We also need to ensure that the kiosks being offered for removal are actually removed before a new one is installed. This should be secured by a pre-commencement condition.

TfL will resist implementation of this planning permission via S278 or other highway licensing until we receive and approve proof of the other kiosks having been removed.
