2019/4041/P	vera	21/09/2019 18:37:39	SUPC	Mansfield Road is situated in a conservation area and I believe that the dormer extension at 126 property is far too large as it should meet and follow the same size of all dormers built previously in the area . I am not against the dormer extension but with the condition that it must be reduced in size to avoid the same disproportional measurement of 120 Mansfield Road property. As a next door neighbour I have just brief details of my neighbour proposals(including the roof lights purpose ?) which I only found in this view plan website.
