RE: 2017/1712/T

I trust you are well.

I have to ask for your assistance as when I go online I don't seem to be able to find the application to reapply and I'm not sure how to go about it.

My neighbour (whose garden is also very obscured by the Plane tree) has also just been granted permission for the pruning - she is trying to get this done in the next couple of weeks and it would be ideal if I could get mine done at the same time as this may reduce costs.

As always (since 2015) the man responsible for the tree, Sean Edwards at West Hampstead Housing Association, is unavailable unhelpful and does not return calls.

As you will be reminded by the email thread attached to this - we did have the permission granted in 2017.

Is there anyway you can help me get the permission reinstated quicker than 6 weeks - I really hope so!

Many thanks for all your help.

Tamara Craig
