2019/4009/L	Harriet Chanarin	25/09/2019 16:40:07	COMMNT	Hi, I live at 53 Bayham Place, NW1 0ET. The ongoing noise from all the work taking place at Koko is untenable for over a year now i've been experiencing noise pollution. Furthermore, trucks are always pulled up outside my home. What can be done about this please? Harriet
