2019/4752/T	Charles Marks	25/09/2019 12:52:43	OBJ	<p>I object to this application to remove the tree as there are no valid reasons for doing so and the trees in the area are an important part of the beauty and bio-diversity of the area. We are lucky to have trees like this and the only reason they may become a problem is because they are not properly/regularly managed and pollarded.</p> <p>Removal of these valuable resources should not be permitted in this day and age when we KNOW these are an important part of our future.</p> <p>Permission should not be granted for what is ultimately just wanton destruction.</p>
