Proposal Erection of single storey ground floor extension and replacement closet wing in association with the conversion of the building from single dwelling into 2 units (1x1-bed flat; 1x3-bed flat); replacement of windows and facade refurbishment

Objection Yes

Comment Yes

Observations DPCAAC strongly object to the extraordinarily large glass roof (approximately 5m x 2.4m) of the proposed single storey extension. See proposed first floor plan A2085-PL-201, where roof light is indicated and proposed section B-B A2085-PL-501, glass roof shown albeit above roof joists. This would be a major source of light pollution and most harmful to amenity of neighbours.
