

Dear Mr Marfleet

I'm writing to object to the retrospective planning application 2019/3094/P for 13 Heath Street, Hampstead NW3 to change use from class A3 restaurant to D2 For Hampstead village to retain a thriving retail centre it needs to retain its shops and permission should not be granted. If a change of use is to be granted , class D2 is too broad as it includes assembly and leisure cinemas music and concert halls swimming pools skating rinks gymnasium or area for indoor or outdoor sports and recreations and the use must be restricted to the application stated sole usage of yoga

Yours sincerely  
Mr Kindall
