Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Listed Building Consent Granted

Address:
21 Harrington Square
London
NW1 2JJ

Proposal: Alterations for refurbishment of Listed Building including; repair/replacement of roof tiles, replacement of window casements, re-ordering of internal layout, reinstatement of front railings at first floor, enlargement of rear lightwell, works to basement and creation of bridge to the rear of the property.

Drawing Nos: Cover Letter, Heritage Statement, Design and Access Statement, P01E, P01, P00, E01E, P00E, P02E, P02, P03E, P03, P04E, P04, X01E, X01, E01 Rev P01_A, Engineer's Letter and Location Plan

The Council has considered your application and decided to grant Listed Building Consent subject to the following conditions:

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of

the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new external and internal works and finishes and works of making good to the retained fabric, shall match the existing adjacent work with regard to the methods used and to material, colour, texture and profile, unless shown otherwise on the drawings or other documentation hereby approved or required by any condition(s) attached to this consent.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 4 The development hereby permitted shall be carried out in accordance with the following approved plans:

Drawing Nos: Cover Letter, Heritage Statement, Design and Access Statement, P01E, P01, P00, E01E, P00E, P02E, P02, P03E, P03, P04E, P04, X01E, X01 and Location Plan (Last received 05/07/2019)

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 5 Before the relevant part of the work is begun, detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority:

a) Details including sections at 1:10 of the approved timber slim-profile sash windows (including jambs, head and cill);

b) Manufacturer's specification details of the lime mortar to be used in brickwork repair and reconstruction are to be submitted to the Local Planning Authority and samples of those materials are to be provided on site.

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission:

The application site comprises a Grade II listed four-storey building within the Camden Town Conservation Area. Planning permission and listed building consent is sought for the repair/replacement of roof tiles, railing replacement to the first floor balcony/windows, change of windows at front and back of building

to sash doubled glazed windows to match neighbouring properties' design, pattern and layout, change of internal layouts, enlargement of rear lightwell and works to the basement and creation of a bridge to the rear of the property.

The design and materials of the proposed works are considered to be appropriate and would preserve and enhance the character and appearance of the listed building and the wider Conservation Area. A condition is added so that details of the timber slim-profile sash windows and the lime mortar that will be used in the brickwork repair and reconstruction are provided to the Council before the commencement of relevant works.

No objections have been received. The planning history of the site and surrounding area and relevant appeal decisions were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 and 66 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies D1 and D2 of the London Borough of Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the provisions of the National Planning Policy Framework 2019.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings.
