Dear Nick,

Thank you for your replay.

I am very happy to carry the costs, it is only that I did not know that the trees were my responsibility.

The info requested:

Alessandra Cavalli

Trinity Walk, Trinity school, NW3 5SQ

2 Lime trees

2m crown reduced

I have attached two photos for you to see where the location is and how tall are the trees.

Once I have the go ahead from you, I will employ trees surgeons, so that the work can be carried out.

Looking forward to hearing from you,

alessandra

Dear Alessandra,

The council will not get involved in boundary disputes. However, you can apply for tree works irrespective of ownership, please reply with details of:

- Your name and address
- The address of where the trees are
- The species of trees
- A simple plan or photo which shows the location of the trees
- What the proposed works e.g. crown reduce by up to 2m. Please be aware the proposed works must be quantified i.e. "cut back" or similar will not be validated.

Kind regards

Nick Bell

Dear Tom and Nick,
My name is Alessandra Cavalli
1b, 104 Finchley Rd NW3 5JP. [The entrance of my property](#) is on Trinity walk, bordering with the primary school.
There are two trees, bordering from my property with the school nearby just at [my entrance \(on Trinity Walk\)](#).
The school claims that these two trees [bordering between my property and the school belong to me](#), and they need trimming. I would like to make sure I have permission to do so before acting. I also need confirmation from you that the two trees belong to me.
Looking forward to hearing from you,
Alessandra Cavalli
