2019/4478/P	Jenny Webley	03/10/2019 10:58:44	COMMNT	I would like to renew my opposition made on a previous planning application for this site, with the same reasons as before. I hope all previous opposition motions will be added to this new application especially as there is only one site notice. This is outside Panther House in a narrow track, not well used, and well away from the public scrutiny. Unless the new application printed in the Camden New Journal on the 12th September has been seen, most people will assume that this new planning application does not exist. The period for comment has been very short for such a monumental development.
