2019/4545/P	TRACT	04/10/2019 08:26:11	OBJ	<p>We strongly object to this kiosk being given retrospective permission. It will set an unacceptable precedent that would encourage others to follow.</p> <p>Camden Town centre, and specifically in this area, has a huge number of take-away food outlets and indeed has a significant number more due to open in Hawley Wharf. Having kiosks on our residential side streets just adds to the spread of rubbish and smells.</p> <p>We want this application refused and the kiosk removed. If the business wants to run a food stall it should be looking for a site within the market or within one of the retail units that exists. There are a number of vacant units.</p>
