The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely

as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans Site location plan, mmc.1, mma.477, mp234, mp.2764, 402-ASS-024 rev J

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed rooflight and window enlargement are considered to be appropriate in terms of location, design and materials as they would be subordinate in size and number and have been sympathetically designed so as to respect the integrity of the existing roof. They would not conflict with other architectural roof elements, as such, the proposal would have a minimal impact on the character and appearance of the existing building and the surrounding West End Green Conservation Area. Due to their size and location, they would not significantly harm the amenity of any adjoining residential occupiers in terms of light pollution or overlooking.

No objections have been received prior to making this decision. The sites' planning history was taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with Policies 2 and 3 of the Fortune Green and West Hampstead Neighbourhood Plan 2015, the London Plan 2016 and the National Planning Policy Framework 2019.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings.
