2019/4295/P	Richard Fletcher	05/10/2019 07:23:51	OBJ	<p>I live at 19A Belsize Crescent. The construction of a third floor to a 2 storey mews cottage at the rear of my building will be overbuilding and be completely out of character if we are to preserve the Belsize Mews conservation area.</p> <p>In a congested area, Daleham Mews 9a & 9 + 7 would be overshadowed significantly (with a facing wall just centimetres away), and living areas and gardens at nos 11,13,15,17,19 Belsize Crescent would suffer from loss of light. In addition the facing wall to 19 Belsize Crescent will be intrusive. If even considered for approval all glass must be obscured.</p> <p>This is a clear case of private personal gain at costly loss of public amenity to the many. The application must be rejected. This application represents what our planning system and conservation area doctrine is designed to prevent.</p>
