2019/4935/T	Leslie Turnberg	05/10/2019 17:50:02	COMMNT	Which of the many trees in this site is to be felled? Difficult to see in the application. My Flat 3, at 17 Maresfield Gardens, backs onto Frazer House and a line of trees shields us from the view of the unsightly view of the ugly extension at the back of Frazer House. I hope this tree felling will not interfere with that. Please provide more details of tree to be felled. Thank you. Leslie Turnberg.
