2019/4937/P	Jonathan Byatt	06/10/2019 21:40:39	SUPC	While expansion of RFH facilities is to be encouraged, the transport impact lacks a consideration of parking impacts within south end green. Outpatient and visitors to RFH are limited by parking controls in local area but adversely impact South End Close estate nearby at bottom of pond street. Consultation on how this could be minimised should be undertaken to enhance the application and prevent further RFH inoscts to SEC estate.
