BY PLANNING PORTAL

12th August 2019

Dear Sir,

PROPOSED INSTALLATION OF 2 NO. MICROWAVE DISHES ON THE EXISTING TRANSMITTING TOWER AT LONDON TELECOM TOWER, 60 CLEVELAND STREET, LONDON, W1T 4JZ

This is a full planning and listed building consent application, for permission for the development of:

The installation of 1 x 0.6m microwave dish and ancillary development at the existing transmitting tower at London Telecom Tower, 60 Cleveland Street, London, W1T 4JZ. NGR 529217/181917

The application comprises:

- Planning Application form and certificates (submitted through the Planning Portal)
- Planning drawings - Ref. No's: 4004869, BTT/02A
- Prescribed fee - £462.00
- Site Specific Supplementary Information
- Design and Access Statement
- Heritage Statement

Savills Telecom are currently in the process of designing and implementing a wireless network as such they need several links and sites in order to establish a connection. The dishes at this site will allow them to use this location as an intermediate hop for the overall end to end connection.

The enclosed application is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance.

Furthermore we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully

Louise Hvaal

Acquisition Consultant

(for and on behalf of Savills Telecom)
