

Every effort has been made to confirm the structure within the building, however this is a non-intrusive survey and we accept no responsibility for any errors beyond the visible fitout. If this is critical to design we suggest further investigation.

As determined by RICS guidelines, this survey has a presentation scale of 1:100. Interrogated dimensions will be within tolerance for this and smaller scales only.

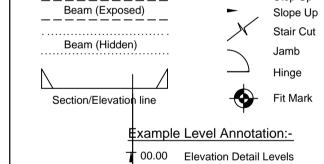

Do Not Scale From Paper Copies

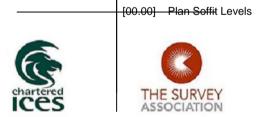

LEGEND

when viewing individual elements please ensure that all layers beginning "C" are turned on & thawed, as well as the relevant floor prefix.
e.g. "1*" for first floor
