Retrospective Planning Application

Site address: 8 Lancaster Stables, Lambolle Place, London, NW3 4PH

Dear Planning officer,

The site above has received planning approval on the 09/11/2017 with planning application no: 2017/4019/P. A new retrospective planning application is submitted to address the few minor changes that have been done during construction phase which improve practicality and accessibility. All these changes are clearly noted on the new drawings submitted with this application. We do not consider that the changes have a significant or negative impact on the conservation area therefore we hope the council will look favourably on this application.

Kind regards,
Alistair Barr
