Dear Geri Gohin

We have spent some time attempting unsuccessfully to access via your website the current details of this planning application, now being appealed.

However we are concerned that you and your department should be aware of our strong objections to this application. We trust you will have on record our original objections to this proposal, which we have no reason to modify. As owners of one of the five flats at this property we feel that further development at this site is totally inappropriate, particularly of the size and nature envisaged by this proposal.

Yours sincerely,  
Anne and Jon Margo
