

Side Elevation

The contractor is responsible to ensure that no products are to be utilised that do not comply with relevant British and/or European Standards and/or Codes of Practice, CDMH Regulations, Construction Regulations, or which are known or suspected at the time of product selection to be defective, unsafe or to be in breach of any applicable laws, regulations or standards. In accordance with good building practices.

The contractor is responsible for checking dimensions, tolerances, levels and references. This drawing is for information only and does not constitute a contract. Any discrepancy to be notified to Baily Garner LLP and rectified before proceeding with the works on site or shop drawings.

Where an item is covered by drawings at different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figured dimensions to be worked to in all cases.

This drawing and the copyrights and patents therein are the property of Baily Garner LLP and may not be used or reproduced without consent or attribution.
