The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The proposed extension, by reason of its height, scale, position and design, would represent a prominent and incongruous addition that would infill an important gap between buildings and harm the original character and appearance of the Grade II listed building, the adjoining terrace and the surrounding Primrose Hill Conservation Area contrary to policies D1 (Design) and D2 (Heritage) of the Camden Local Plan

(2017).

Informative(s):

- 1 If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.

You can find advice about your rights of appeal at:
